## Year 2012

This year, 2012 is Ren Chen (壬辰) Dragon Year. The Dragon year starts on 4<sup>th</sup> February 2012 at 18:22. However, using Qi Men Dun Jia technique, the chart of Chinese New Year eve is plotted. The chart as follow:

Hour	Day	Month	Year
Ren	Gui	Xin	Xin
Zi	Wei	Chou	Mao

YangDun#3 Hour: <b>RenZi</b> ; 直符(ZhíFú): 天柱 (Tiān Zhù) ; 直使(ZhíShǐ): 惊门 (Jīng Mén) ; 旬首(XúnShǒu): <b>JiaChenRen</b>

This is a **Fu Yin** chart, which is the same as 2011, which in Qi Men Dun Jia, it is inauspicious. **Fu Yin** chart means matters will be stagnant and no improvement. There will be natural and man-made disasters that cause suffering. At the beginning of 2011, there was Japan earthquake, tsunami and unrest in most of the countries.

Since 2011 and 2012 are both **Fu Yin** chart, judging from what's happening in 2011, the same situation will repeat again with much uncertainties. Apart from natural and man-made calamities, there will be unrest due to continuous increase in inflation. The stock market will continue to slide. However, the financial and insurance industries will benefit from the situation. Those in entertainment industries will be entangled in scandalous situation. This is because there is a "Yin God" befalls into entertainment industries. If not careful, there might be suicide cases happening.

There are high chances of earthquake happening in the Western or Southwest area of high risk countries. Those who travel overseas have to pay attention to this when choosing the itinerary.

## 2012 Qi Men Dun Jia Fengshui enhancement

Below are some Qi Men Dun Jia Fengshui techniques that you can use to enhance your wealth as well as to neutralise bad energy of the year.

### East sector

Based on 2012 Qi Men Dun Jia chart, it indicated that the Wealth Sector is in Kong (emptiness). As such, at the Eastern sector of your house, you can put a pot of *Zamioculcas* (金钱树 – golden money tree) or *Pachira aquatica* (发财树 – money tree). In addition, it is not advisable to put Metal stuff in the Eastern sector.

### Southwest sector

This year, the sickness star is at Southwest sector of your house. Put a pot of *dracaena fragrans* (铁树- Tie Shu) at the Southwest sector.

*dracaena fragrans* (铁树- Tie Shu)

### West sector

At the West sector of your house, hang a Chinese Trinity Knot to subdue the bad Yin Sha appearing at that sector.

## 2012 Travel

In 2012, it is not advisable to travel to Southwest, West or Southeast direction. If there is no choice, it is advisable to wear the following items:

Direction	Item to wear
Southwest	Something that is made of wood.
West	Something red.
Southeast	Metal item.

Alternatively, you can wear the ***Qian-Kun Luck Changing Pendant*** as prevention.

## Qian-Kun Luck Changing Pendant

Everyone's body has the capability to release or absorb energy from the surrounding. For example, if we constantly in contact with someone who's energy field is filthy, this person can contaminate our internal energy. However, if we constantly in contact with someone who's energy field is good, our body can absorb such energy and further enhanced our own internal energy. Our forefathers already found this out. Therefore, thousand of years ago our forefathers already invented protective items that can protect and enhance our internal energy. By wearing such items, it will protect us from harmful energy as well as enhance our internal energy and bring it up to favourable level.

From the 2012 Qi Men Dun Jia chart (which is Fu Yin chart), it already indicated that there will be bad energies created from all the natural or man-made disasters. Therefore, Master Ye has design and created a calabash-shaped **Qian-Kun Luck Changing** pendant. For thousands of years, calabash has been used to neutralise the bad energy of Fengshui. The **Qian-Kun Luck Changing** pendant uses natural stones arranged in the 7-stars formation (big dipper) is designed such a way that it can be used for everybody. The calabash-shaped combined with specially selected stone arranged in auspicious 7-stars formation will help to protect and prevent bad energy from harming the person.

The **Qian-Kun Luck Changing** pendant is made of 24K gold-plated and elegantly designed. It is a good item for oneself and as gift for friends and relatives. In addition, different stones are used for different animal sign. Therefore, when ordering, please has your animal sign ready.

## Qi Men home enhancement bronze elephant

The primary objective of this bronze elephant is to bring good fortune and wealth enhancement to your home. There are 2 variances to this bronze elephant. The one with trunk down is used to be placed at Wealth sector to "absorb" wealth (enhance wealth). The one with the trunk up is used to be placed at bad sector to "prevent" bad energy from manifesting. In addition, traditionally elephant is associated with luck and prosperity. Elephant is imposing but gentle. Elephant is good at absorbing water. Chinese regards water as wealth. If your house has

window or balcony that faces water, you can put this bronze elephant to absorb wealth into your house.

This **Qi Men home enhancement bronze elephant** is designed based on special techniques that were passed down from previous Qi Men Dun Jia Masters. The major difference is that on both sides of this bronze elephant, there is Qi Men talisman imprinted on both side of the body. Different type of Qi Men talisman is used for different purposes. There is **Wealth Enhancement Talisman** to bring in wealth, **Home Enhancement Talisman** for general home placement, **Career Enhancement Talisman** for career opportunity, improve husband and wife **Relationship Talisman**, **Academic Enhancement Talisman** to improve your study capability etc.

The Qi Men bronze elephant with the trunk facing down will absorb prosperous Qi and will enhance the sitting position. For example, in Fengshui study, it is advisable to have a mountain at sitting position (back) of the house. Elephant is a big animal and it is like a big mountain. Therefore, placing this Qi Men bronze elephant at the sitting position of living room, office or study, will increase the energy of the sitting position. In addition, it will increase your position as a leader (sitting position is regarded as the position of a leader). Furthermore, the bronze elephant with the trunk facing down has the ability to absorb wealth from outside. Therefore, placing it facing a water features will increase the wealth of occupant, especially for those in business.

The Qi Men bronze elephant with the trunk facing up is like the elephant “blowing out” all the bad energy away. Together with the special Qi Men talisman and Qi Men 9-stars formation it can “blow away” all the bad Qi.

According to 2012 Qi Men Dun Jia chart, this year Tai Sui is Ren, which also represent the masses of people, is located at Dui 7 Palace and together with Si Men (death door). This means that in 2012, the masses of people will be suffering due to man-made or natural disaster. By placing a bronze elephant at the West sector of the house will help to prevent all the unpleasant matters happening to the occupants.

### Qi Men Bazi luck changing pendant.

This pendant was invented by Master Ye and his master. It was derived from traditional **Qi Men Dun Jia 9-star “Na Qi”** method. It is made of precious stone with 24K gold plated. The circular design represents Heaven. 9 precious stone represents Earth. Wearing it means the unity of Heaven, Earth and Man. By design, this bazi luck changing pendant will absorb the surrounding good energy and use it to enhance the energy of the wearer. This pendant is suitable for people who have the following problems:

- Career setback
- In bad wealth luck
- Bad relationship between husband and wife
- Bad study luck
- Bad health
- Problem sleeping because of frequent nightmare

This pendant will get rid of bad energy in your body, re-adjust your energy and further enhance the good energy. Everyone’s energy is difference. This can be determined by looking at the person date/time of birth using Qi Men Dun Jia bazi. The type of pendant is specially designed based on the person’s bazi.
